INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Calvary Women's Services, Inc.
Washington, D.C.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Calvary as of September 30, 2015, and the change in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION

Organization -

Calvary Women's Services, Inc. (Calvary) was incorporated in September 1983, as a District of Columbia not-for-profit corporation, to provide short-term and long-term housing for women who are homeless in Washington, D.C. Calvary offers personalized case management, life skills and education opportunities, health and wellness services, on-site therapy, and daily addiction recovery meetings. Through its housing programs and comprehensive services, Calvary carries out its mission to offer "a safe, caring place for tonight; support, hope and change for tomorrow."

Calvary's three housing programs include:

Calvary Transitional Housing Program (*formerly Calvary Women's Shelter*) assists women in moving out of homelessness and into stable housing. Women also take positive steps toward independence, including: addressing mental and physical health needs, maintaining recovery from addiction, healing from trauma and violence they have experienced, and securing income through employment or benefits.

Sister Circle is a permanent housing program. This program offers long-term support and independent housing to women in recovery from substance addiction, many of whom struggle with serious medical conditions, including HIV/AIDS and cancer. In addition to making support services available, Sister Circle provides a close-knit community of peer support as the women continue to develop their life skills.

Pathways is a transitional housing program that offers stability and support to chronically homeless women who struggle with mental illness. This unique program, that reaches out to some of the most vulnerable members of our community, focuses on building women's individual skills and creating community among its residents.

Basis of presentation -

The accompanying financial statements are presented on the accrual basis of accounting, and in accordance with FASB ASC 958, *Not-for-Profit Entities*.

The financial statements include certain prior year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with Calvary's financial statements for the year ended September 30, 2014, from which the summarized information was derived.

Cash and cash equivalents -

Calvary considers all cash and other highly liquid investments with initial maturities of three months or less to be cash equivalents.

Bank deposit accounts are insured by the Federal Deposit Insurance Corporation (FDIC) up to a limit of \$250,000. At times during the year, Calvary maintains cash balances in excess of the FDIC insurance limits. Management believes the risk in these situations to be minimal.

1. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION**
(Continued)

Restricted cash -

Calvary maintains a separate cash account for cash held on behalf of its clients. These funds are exclusively for the clients and are not available to pay Calvary's expenses. Deposits and withdrawals are made at the discretion of each participating client. These amounts are reflected as restricted cash and client deposits in the Statement of Financial Position.

Pledges and grants receivable -

Pledges and grants receivable approximate fair value. Management considers all amounts to be fully collectible. Accordingly, an allowance for doubtful accounts has not been established.

Fixed assets -

Fixed assets in excess of \$1,000 are capitalized and stated at cost. Fixed assets are depreciated on a straight-line basis over the estimated useful lives of the related assets, generally three to thirty-nine years. Building improvements are amortized over the remaining life of the building. The cost of maintenance and repairs is recorded as expenses are incurred. Depreciation and amortization expense for the year ended September 30, 2015 totaled \$97,411.

Income taxes -

Calvary is exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for income taxes has been made in the accompanying financial statements. Calvary is not a private foundation.

Uncertain tax positions -

For the year ended September 30, 2015, Calvary has documented its consideration of FASB ASC 740-10, *Income Taxes*, that provides guidance for reporting uncertainty in income taxes and has determined that no material uncertain tax positions qualify for either recognition or disclosure in the financial statements.

The Federal Form 990, *Return of Organization Exempt from Income Tax*, is subject to examination by the Internal Revenue Service, generally for three years after it is filed.

Net asset classification -

The net assets are reported in two self-balancing groups as follows:

- **Unrestricted net assets** include unrestricted revenue and contributions received without donor-imposed restrictions. These net assets are available for the operation of Calvary and include both internally designated and undesignated resources.
- **Temporarily restricted net assets** include revenue and contributions subject to donor-imposed stipulations that will be met by the actions of Calvary and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities and Change in Net Assets as net assets released from restrictions.

CALVARY WOMEN'S SERVICES, INC.

**NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2015**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION
(Continued)**

Contributed services and materials -

Contributed services and materials consist of donated goods, equipment, professional services, facilities and meals. Contributed services and materials are recorded at their fair market value as of the date of the gift.

Contributions and grants -

Unrestricted and temporarily restricted contributions and grants are recorded as revenue in the year notification is received from the donor.

Temporarily restricted contributions and grants are recognized as unrestricted support only to the extent of actual expenses incurred in compliance with the donor-imposed restrictions and satisfaction of time restrictions. Such funds in excess of expenses incurred are shown as temporarily restricted net assets in the accompanying financial statements.

Calvary receives funding under grants and contracts from the U.S. and D.C. Governments, and other grantors for direct and indirect program costs. This funding is subject to contractual restrictions, which must be met through incurring qualifying expenses for particular programs. Accordingly, such grants are considered exchange transactions and are recorded as unrestricted income to the extent that related expenses are incurred in compliance with the criteria stipulated in the grant agreements.

Grants receivable represents amounts due from funding organizations for reimbursable expenses incurred in accordance with the grant agreements. Grant funding received in advance of incurring the related expenses is recorded as a refundable advance.

Use of estimates -

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Functional allocation of expenses -

The costs of providing the various programs and other activities have been summarized on a functional basis in the Statement of Activities and Change in Net Assets. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

2. LONG-TERM DEBT

In 2010, Calvary obtained a loan from United Bank up to \$1,000,000 to purchase land and a building in Washington, D.C. to house its programs. On April 6, 2012, Calvary refinanced the original loan with a construction loan of up to \$1,500,000, the proceeds of which were used to pay off the balance of the previous loan and to pay for additional renovations to the building. As of September 30, 2015, the outstanding principal on the loan was \$1,166,929.

CALVARY WOMEN'S SERVICES, INC.

**NOTES TO FINANCIAL STATEMENTS

2. LONG-TERM DEBT (Continued)

In the first year of the loan, the loan bears interest at a variable rate equal to the greater of the 30-day LIBOR plus 3 percent, or 5 percent. In the second through sixth year of the loan, the loan bears interest at a fixed annual rate equal to the greater of the midrange of the five-year swap equivalent of the 30-day LIBOR prevailing on the first anniversary of the loan plus 3 percent, or 5 percent. On April 29, 2013, the loan was amended so that the interest rate until the sixth anniversary will be at a fixed rate equal to the greater of the midrange of the five-year swap equivalent of the 30-day LIBOR prevailing on the first anniversary plus 3 percent, or 4.5 percent. In the seventh year of the loan through the loan's maturity, the note will bear interest at a fixed annual rate equal to the greater of the midrange of the five-year swap equivalent of the 30-day LIBOR prevailing on the sixth anniversary of the loan plus 3 percent, or 4.5 percent. As of September 30, 2015, the effective interest rate was 4.5%.

The loan requires payments of interest only in the first year of the loan. In the second through sixth year of the loan, the loan requires payments of principal and interest sufficient to amortize the loan over a 20-year period. In the seventh year of the loan through the loan's maturity, the loan requires payments of principal and interest, sufficient to amortize the loan over a 15-year period. The loan matures April 7, 2023 and contains certain prepayment penalties. The loan is secured by a first lien Deed of Trust on the property, an assignment of leases and rents on the property, and a security agreement on all personal property on the property.

The loan agreements contain various covenants, which among other things, place restrictions on Calvary's ability to incur additional indebtedness and require Calvary to maintain certain financial ratios. For the year ended September 30, 2015, Calvary was in compliance with all loan covenants.

Future minimal principal payments under this loan are as follows:

Year Ending September 30,

2021 and Thereafter	<u>834,048</u>
	<u>\$ 1,166,929</u>

For the year ended September 30, 2015, interest expense was \$54,874.

On May 7, 2012, Calvary entered into a loan and recoverable grant agreement (the Agreement) with Cornerstone, Inc., an unrelated not-for-profit organization. Under the Agreement, Calvary received a loan in the amount of \$50,000 and a grant for \$50,000, both of which were to provide funds solely for the use of improving the property purchased in December 2010.

The loan bears interest at 2 percent, and requires monthly payments of principal and interest over the life of the loan, which is being amortized over 9.5 years and matures November 30, 2021. The loan is secured by a second deed of Trust on the property, and is also subject to financial covenants. For the year ended September 30, 2015, Calvary was in compliance with all loan covenants.

3. GOVERNMENT GRANTS
